Network Connected Analog / Digital Clock

# NTP Clock

## Time Synchronization Is Team Collaboration

PCs and servers in the office indicate accurate time.  
Inaccuracy of a clock on the wall may cause confusion at work.  
NTP Clock connected to intranet synchronizes the time of the whole office to improve productivity.

SEIKO SOLUTIONS INC.

**[Easy to install over your existing network]**

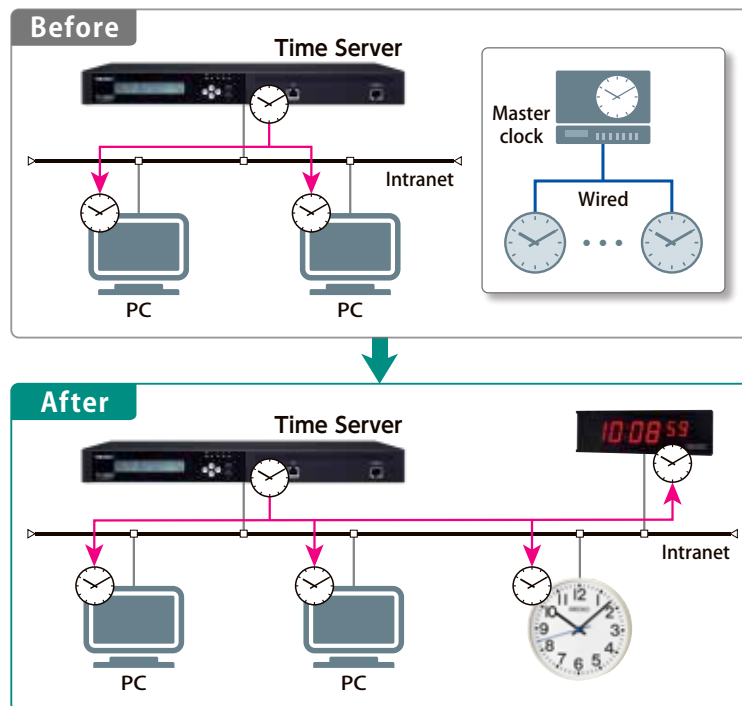

Simply connect to your existing LAN — no additional cabling or dedicated wiring required. NTP Clocks can be deployed quickly across your facility without modifying your existing infrastructure.

**[Flexible installation with PoE]**

PoE-powered models receive both power and network connectivity through a single Ethernet cable. Clocks can be installed anywhere in your facility without the need for separate power outlets or electrical work.

**[Unified time across your entire facility]**

Accurate time is delivered from the Time Server to all NTP Clocks and IT systems over your existing network. All clocks stay fully synchronized, eliminating drifting or stopped clocks and enabling smooth collaboration across your organization.

**NTP Clock Specification**

			
	<b>SCN-300</b>	<b>SCN-860E</b>	<b>SLN-576R</b>
Type	Single-sided Analog clock for indoor use	Double-sided Analog clock for outdoor use	6 digit digital clock for indoor use
Time Accuracy	±0.1seconds(synchronous), ±3 seconds per day (asynchronous)		
Material	Plastic (case), Mineral glass (cover glass)	Aluminum (case), Acrylic protection glass (cover glass)	Aluminum (case), Dark plexiglass (cover glass)
Synchronization method	NTP ( Synchronization interval 10-999 seconds)		
Power supply	PoE	PoE+	PoE
Power Consumption	MAX. 4W	MAX. 24W	MAX. 7W
Temperature Range	-10~55°C	-30~70°C	-5~50°C
Dimensions	Ø315×45 (D) mm	Ø834×245(D)mm	405(W)×42(D)× 126(H) mm
Weight	Approx. 1.15kg	Approx. 19kg	Approx. 1.2kg

**Additional models available**

A wider selection of analog and digital models for both indoor and outdoor use is available to suit your specific requirements. Please visit our product page for the full lineup.
